

“Old” Medicine vs. “New” Medicine

Tel Franklin, M.D., author of the new book, *Expect A Miracle: You Won't Be Disappointed! – A Healing Journey With Appreciative Dialogue* -- compares what he calls the “old” medical paradigm to the “new” one he proposes.

<u>Old</u>	<u>New</u> (Appreciative Dialogue)
Problem-oriented	Solution-oriented
Disease/diagnosis model	Optimal health model
Isolating	Relationship-based
Passive recipient	Proactive manager
Authoritarian	Dialogue, peerage
Overwhelming	Manageable
Lost, confused	Centered, clear
Anonymous	Personal
Reductive	Integrative
